Dave Smith  
Project Manager  
Nordgold

Dear Mr. Smith

I wish to advise you that Nordgold has permission to use the Whale Cove landfill site from April 1, 2021 to December 31, 2022.

As in the past, since the Whale Cove landfill site is not monitored, we rely on the honour system for contractors and firms like yourselves to record and report the number of loads you place in the landfill site.

As per bylaw #214 we charge a tipping fee of \$50.00 dollars per load.

Please do not hesitate to contact me if you need further information or have any questions.

A handwritten signature in blue ink, appearing to read "B. Fleming", is written over the typed name.
