Dear Ludy Gibson:

Re: Land Use Licence No. KVL111B06

In reference to your letter of May 25, 2016 requesting an extension of the expiry date of the above land use Licence from August 4, 2017 to October 4, 2018.

This request has been reviewed and we do not have any concerns regarding it. This letter will confirm that your licence has, therefore, been extended and will now expire on October 4, 2018. Please ensure that you continue to adhere to the operating conditions annexed to your licence extension.

If in case you propose to do drilling on IOL you should notify KIA immediately and provide exact location of the drilling targets along with a new work plan.

Should you have any questions regarding this or any other matter relating to the above mentioned licence, please contact myself at (867) 645-5734 or e-mail: bosmond@kivalliqinuit.ca

Yours truly,

Brenda Osmond Lands Administrator
