RE: Licence No. 2BE-PBP2025 Type “B”; Pistol Bay Project, Northquest Ltd. (NORDGOLD); 2020 Annual Report Review

Dear David Smith and Stanley Robinson:

The Nunavut Water Board (NWB or Board) has completed the technical review of the 2020 Annual Report (Report) for Type “B” Water Licence 2BE-PBP2025 (Licence). The Report was received on February 17, 2021 from Northquest Ltd. (NORDGOLD) (Northquest or Licensee) and submitted as a requirement under Part B of the Licence.

Copies of all documents received during Report review can be accessed through the NWB’s Public Registry and FTP site using the following link:

<ftp://ftp.nwb-oen.ca/registry/2%20MINING%20MILLING/2B/2BE%20-%20Exploration/2BE-PBP2025%20Norquest/3%20TECH/B%20GENERAL/2%20ANNUAL%20RPT/2020/>

On February 22, 2021, the NWB distributed the Report to the Kivalliq distribution list for information. No comments have been received to date.

The Licensee submitted the *Spill Contingency Plan for Exploration Camp and Drill Sites* and the *Abandonment and Restoration Plan*, dated January 2021 and January 11, 2021, respectively. Northquest is advised that both documents address the requirements of the Licence.

If you have any questions, please contact the undersigned at assol.kubeisinova@nwb-oen.ca or (867) 360 6338 (ext. 31).

Best regards,

Assol Kubeisinova
Nunavut Water Board
Technical Advisor
