**RE: NWB Technical Review of 2022 and 2023 Annual Reports for the Pistol Bay Project;
Water Licence No: 2BE-PBP2025**

Dear Stanley Robinson:

The Nunavut Water Board (NWB or Board) has completed the technical review of the 2022 and 2023 Annual Reports for the type B Water Licence No: 2BE-PBP2025 (Licence), submitted by Whale Cove Gold Corp. (Licensee).

On April 16, 2024, the NWB acknowledged receipt of the 2023 Annual Report and provided it to the Kivalliq distribution list for information. No comments have been received to date.

The technical review of the Annual Reports found that the information addresses the requirements of the Licence. The Board noted that the Licence is expiring on October 31, 2025. If the Licensee contemplates continuing of this undertaking, it is recommended that an application for the renewal of Licence be filed at least three (3) months prior to the Licence expiry date.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 (extension 29) or at abid.jan@nwb-oen.ca.

Sincerely,

Abid Jan
Technical Advisor
