Good day Phyllis,

First of all I like to apologize to you that I could not get back to you on this matter as I was out of Town and we have a new board. The Ikinguak Hunters & Trappers Organization finely had meeting and I brought up the letter received from DeBeer Canada to Nunavut water board. The Board of Directors main concern was the Chartrand Lake. Would it be possible for you to send maps of the locations. We will be waiting for your respond on this matter. Have a nice day.
