Re: Final Report for License 2BE-PCD0812 – Prince of Wales, Chartrand Lake, Cornwallis Island and Devon Island Projects.

**Activities during the 2008, 2009, 2010, 2011 and 2012 Field Season**

No activities took place during any of the last 5 field seasons for any of the above properties. Nor were any camps active during the license period. This was confirmed by the Manager – Exploration, Julie Kong.

Thus, there was no water taken or discharged for the field seasons nor were there addendums filed for the Spill Contingency Plan or the Abandonment and Restoration Plan on this License.

The licensee respectfully requests that the above named license be closed.

Sincerely,
