Attachments: rcd 070 Combined Plan final.doc; RCD xxx Muskox Devon Spill Contingency Final corrected fuel quantities.doc

Good morning,

As per your request, attached please find the Spill Contingency Plan and A&R for De Beers Canada Inc. Eden Point (Devon Island) and Muskox Hill (Prince of Wales) projects. Please note that a permit is no longer required for Chartrand Lake.

Please let me know if you require any further information.

Thanks,
Teresa Gillespie
