Diamonds North had applied for Inuit Owned Land dated on, 18/12/2012. License NO. KTL305C012-Renewed Inuit. Location Inuit Owned Lands Parcel No. SB-01, 05,06 PB-01 to 05, PB-16 to 18, PB 26 to 42 PB-45-46, PB-49-59, PB-62-NTS Map Sheets No. 560, P, 57A, camp coordinates UTM zone 15 6210500/7560 000 "Amaruk Camp". As you are aware, I had visited the camp June 25, 2014, to do an inspection of the camp clean up. I am pleased with the clean up that was done by the company. All that was left were the core boxes. Upon arrival I didn't even notice the camp, just the road to the airstrip, airstrip runway but not very noticeable. All the cabins were completely removed no debris of any kind. The ground is completely cleaned up. The water looks clean; all in all I am satisfied with the clean up that was done to the camp.
