Phyllis,

On July 17, 2012 our office faxed (to your attention) a Compliance Action Plan for this Licence.

Final clean-up was conducted this past summer and the final clean-up report was filed (July 17, 2013).

On October 19, 2013 we received a letter from Eva Paul confirming that the final inspection was satisfactory and recommended the cancellation of the license as we requested.

If any additional action is required, please advise.

Deborah
