**Re: Application Acknowledgement and Additional Information Request for Canadian Nickel Corp's - Peter Lake Project Proposal**

Dear Glen Dickson:

On February 11, 2011 the Nunavut Impact Review Board (NIRB or Board) received Canada Nickel Corp.'s (CNC) "Peter Lake" project proposal from Kivillaq Inuit Association. On February 14, 2011 the NIRB received a conformity determination for the Keewatin Regional Land Use Plan from the Nunavut Planning Commission. The NIRB has assigned this project proposal file number **11EN016**. Documents received and pertaining to this project proposal include:

- *Kivalliq Inuit Association – Application to Access Inuit Owned Lands and Water Use*
- *Map*

The NIRB has undertaken a preliminary completeness check and finds that your project proposal does **not** contain sufficient information for the NIRB to conduct proper screening. Specifically, the NIRB is requesting submission of the following information by **April 14, 2011**:

- *NIRB Part 1 Summary Application Form in English;*
- *Non-technical Project Proposal summary in Inuktitut.*

Please forward all forthcoming submissions to the NIRB at [info@nirb.ca](mailto:info@nirb.ca) or via fax at **(867) 983-2594**.

If you have any questions or concerns, feel free to contact me at (867) 983-4619 or [kgillard@nirb.ca](mailto:kgillard@nirb.ca).
