Good Afternoon,

I will be completing a final inspection this summer of your water licence 2BE-PET1114. Though I have not determined the exact dates it will be between July 9th- August 13. Once I have completed the final inspection I will send a report to you and the Nunavut Water Board (NWB) which will allow your licence to be cancelled.

In preparation for your inspection I have completed a review of the NWB website, please note that there was no annual reports posted and it appears that there may be outstanding water use fees. Please follow up with Mrs. Porter (cc'd).

It is a requirement of your licence to report annual to the NWB and pay water use fees. Until this issue is resolved the license will remain open.

If you have any questions please contact me directly.

Christine
