Sorry for the delay, you're right the project is still in NIRB screening.

I'll send you by mail the original document application with the cheque associated.

Objet : Re: 2BE-PKR1621 amendment application

If this is the case, the NWB will be awaiting for the completion of NIRB process to formally start its process.

The logo of the Nunavut Water Board is circular with a white border. Inside the circle, there is a yellow sun at the top, a black silhouette of a polar bear in the middle, and blue wavy lines representing water at the bottom. The words "NUNAVUT WATER BOARD" are written in blue capital letters along the top inner edge of the circle. At the bottom, the Inuktitut name "ᑎᓄᐱᕐ ᕿᐅᐸᑦ" is written in blue. A brown wooden handle, likely part of a traditional Inuit tool like a qajaq, extends from the right side of the logo.
