RE: NWB Technical Review of 2017 Annual Report for the Parker Lake Project; Water Licence No. 2BE-PRK1621

Dear Mr. Robinson:

The Nunavut Water Board (NWB) has completed a technical review of the 2017 Annual Report provided to the NWB on March 30, 2018. On April 20, 2018, the NWB acknowledged receipt of the Annual Report and provided it to the Kivalliq distribution list for information. No comments have been received to date.

The technical review of the Annual Report found that the information generally addresses the requirements of the Licence. The NWB commends your efforts to work with the Inspector to address their concerns.

Should you have any questions, please feel free to contact me, Dave Baines, at (867) 360-6338 (extension 29), at your earliest convenience.

Sincerely,

Dave Baines
Nunavut Water Board,
Technical Advisor
