---

The Nunavut Water Board acknowledges receipt on March 1, 2010 of the above application for a new water licence, from Agnico-Eagle Mines Limited. The following documents were received on the application:

1. Cover letter dated March 1, 2010
2. Water Licence Application Form
3. Exploration/Remote Camp Supplementary Questionnaire
4. Spill Contingency Plan
5. Parker Lake Project Location Map
6. Parker Lake Project General Drill Hole Location Map

Please be advised that this project will require a Nunavut Planning Commission (NPC) Conformity and a Nunavut Impact Review Board (NIRB) screening decision. By copy of this email to NIRB and NPC the NWB is requesting commencement of both the conformity and screening.

To complete the application administratively the following is required:

1. English and Inuktitut project summary
2. Administration fee of \$30.00 and Water Use Fee of \$30.00

There may also be a requirement to provide an A&R Plan but that will be determined once the technical review has been completed by the Technical Advisor assigned to this file.

The technical advisor assigned to this file, Sean Joseph, is hereby requested to begin a preliminary technical review and provide, back to the Licensing Department, any requests for additional information that may be required from the applicant.
