Good morning David,

On September 30, 2015 the NWB received the above 2 new applications for water licences. Administratively your applications for the both files require the following: the \$30.00 administration fee (payable by cheque, money order or visa), a project summary in both English and Inuktitut and a spill contingency plan. The NWB is in receipt of an NPC Conformity and once NIRB has completed screening the project our office will commence a 30 day standard review.

Also both files have been assign to me for administration any documents for the 2 above files you can forward to me.

Regards,

Ida Porter- ᐃᐃᐅ ᐃᐅᐅ
