Hi Richard,

Could you tell me what an AR Plan is? Is it the Annual Report? And if so, I submitted an excel sheet thingy, annual water report, and is it that you are looking for?

And our Water Application is a renewal of our last permit that allows for drilling.

Regards,  
Rebecca

Good afternoon;

The Nunavut Water Board (NWB) requests submission of an AR Plan. The NWB will process your application and send out for distribution and give notice to the distribution once AR Plan is received.
