Name of Company filing Annual Report (if different from Name of Licensee please clarify relationship between the two entities, if applicable):

Stornoway Diamond Corporation

General Background Information on the Project (*optional):

This renewal license was issued in association with a six week long bulk sampling project that is proposed to take place on the Qilalugaq Property. The license previously issued in association with the Qilalugaq Project authorized water use and waste disposal for a diamond drilling program however no drilling activities were conducted under the authority of the previous license. In July of 2012 surveying activities were conducted on several claims covering the main area of interest on the property in order to facilitate the conversion of the selected claims to leases. There has been no waste disposal conducted under the authority of this license since its issuance on November 28, 2012.

Licence Requirements: the licensee must provide the following information in accordance with
