Hi Robin,

The NWB requires that Xstrata Canada Corporation (formerly Falconbridge Limited) submit the following to support its application to cancel Licence No. **2BE-RAI0611**:

- Annual Reports for 2006, 2007
- Water Use Admin Fee

Unless you have received these items elsewhere, we still require them before we can issue a formal cancellation for this licence. Although the reporting was done very poorly, the AANDC Inspector appears to be generally satisfied, so when we receive these items we can proceed to distribute the cancellation for public review.

Thanks!
