RE: NWB Licence No. 2BE-RBP0608

Dear Mr. Dwyer:

This letter is to request an amendment to the current NWB licence No. 2BE-RBP0608.

Advanced Explorations Inc. would like to increase the maximum daily quantity of water to 510 cubic meters. This new amount is due to a more accurate appraisal of the amount of water needed for drilling activities.

The requisite \$30 amendment fee will follow shortly.

Sincerely,

Candace Ramcharan
Vice President Business Development
