Subject: RE: Water License Applications requiring Conformity Reviews

Morning Phyllis;

- 1) 1BR-MAC0712 falls outside an approved LUP boundary, therefore no CD required by NPC
- 2) 1BR-RAN project proposal will not have significant affects/impact outside the Hamlet boundary therefore no CD required.
- 3) 2BE BOR - currently being reviewed for conformity
- 4) 2BE MSX0712 falls outside an approved LUP boundary, therefore no CD required by NPC
- 5) 2BE RBP falls outside an approved LUP boundary, therefore no CD required by NPC
- 6) 2BE SNN0508 falls outside an approved LUP boundary, therefore no CD required by NPC
- 7) 3BC BGI - currently being reviewed for conformity
- 8) 8BW KUG falls outside an approved LUP boundary, therefore no CD required by NPC

Any questions, please do not hesitate, FYI I have copied NIRB with this e mail, Leslie, please do not hesitate to request for more info in required.

Brian
