Dear Mr. Dwyer,

### **Application for Type B Water Licence for White Cliff Minerals Ltd.'s Rae Copper Project**

Please accept this application for a Type B Water Licence for White Cliff Minerals Ltd's (WCM's) Rae Copper Project (the Project) to conduct exploration activities in the West Kitikmeot Region of Nunavut.

WCM's mineral claims in this area are on a combination of Crown and Inuit Owned Land (IOL) and this application has been issued a conformity determination by the Nunavut Planning Commission (NPC; file # 150522) and is currently being screened by the Nunavut Impact Review Board (NIRB; Application # 125991 and File # 24EN047).

At this time, WCM is submitting this application to:

1. The Nunavut Water Board (NWB) in application for a Type B Water Licence (this submission)
2. The Kitikmeot Inuit Association in application for a Class III Land Use Licence
3. Crown Indigenous Relations and Northern Affairs Canada in application for a Class A Land Use Permit

Enclosed in this application, please find the following documents and information:

- Cover Letter (this document)
- An NWB Application Form
- Project Summary in English, Inuktitut, Inuinnaqtun, and French
- Project Description, including:
  - Project Map
  - Lists of maximum proposed structures, equipment, and fuels
  - Potential impacts and proposed Mitigations
  - Restoration plans
  - List of Claims and Authorizations
  - Potential water sources and available capacities
- Supplemental Information Guidelines
- NPC Decision Report for file # 150522
- Authorization of Applicant Representative (Katsky Venter)
- Spill Contingency Plan
- Waste Management Plan
- Engagement Summary
- WCM Certificate of Incorporation

WCM is mailing the application and water use fees to the NWB.

If you have any questions or comments in regard to this submission, please reach out to Katsky Venter ([katsky.venter@gmail.com](mailto:katsky.venter@gmail.com) or 250-538-2306) or me.

Yours Sincerely,
