RE: **PLANNED ACTIVITY: WATER LICENCE #NWB2ROC**
(Drilling and Water Use on Rockinghorse Property)

This note is to let you know that Monopros plans to start up activity on this property sometime in February. A ground survey and limited airborne survey may be conducted, as well as a small diameter drill programme of up to 10 holes. Targets are now being collected.

I shall provide you with more information as soon as such becomes available.

In the meantime, best wishes, and thanks for all your help last year.

Shirley Pfister
