**RE:** **EXTENSION OF WATER LICENCE #NWB2ROC**  
**(Drilling and Water Use on Rockinghorse Property)**

This note is a request for an extension of the term of the above licence, which is to expire on 09 October, 1998. The term for the INAC Land Use Permit #N97C696 is 05 March, 1997 - 04 March, 1999.

A lengthened extension for the water licence which would bring it more into line with the INAC permit - say, March, 1999 - would seem to create less paperwork for the NWB. (For example, if we intended to conduct any late-fall work on the property, we would have to request an extension, anyway.)

Thank you, Phillipa, for your attention to this request.

Shirley Pfister
