I have not been able to follow-up on the 2BE-SCH0712 renewal license application because we're still waiting for the NIRB screening decision.

NIRB is still on hold and went out for ministerial extension because the proponent has not responded with the info they need. Below is a copy of the last email that NIRB sent to the proponent.

Should I be emailing to licensee to let them know that their application is on hold since 2012, pending their ability to respond to NIRB and NIRB completing their screening... or is NWB expected to remain quiet and not send a status update email to the licensee.

Please advise on what you'd prefer I do.

Thanks,

Cynthia

Subject: RE: NIRB 07EN046: Request for outstanding reports

Good day Anthony,

Please provide an update on when we can expect the submission on the outstanding reports. Once we've received these reports, we will then be able to provide responses to AANDC and the NWB on the recent applications.
