Subject: RE: Assignment of 2BE-SIL0709

Hi Phyllis,

I had a meeting with Strongbow and North Arrow management last week on a number of items relating to their properties. Turns out that the submitted assignment application for assignment of Silvertip water licence 2BE-SIL0709 is no longer required as the property will now remain within Strongbow. Let me know if you require a formal letter to pull the assignment application.

Thanks!!!
