License Administrator

Dear Mr. Porter:

Re: Renewal of our Water Permit No. NWB2SIS

We hereby apply to renew our Water Permit NWB2SIS. No work is planned for the Kiggavik/Sisson Project in 1998, however since we expect to resume working there in the future, we would like to keep our Permit active. In this regard, please find enclosed our cheque for \$30.00 and a completed Licence Renewal Form. Please contact me should you require anything further. As always, thank-you for your anticipated assistance.

Best regards,
COGEMA Resources Inc.
