Dear Ms. Becker,

Re: NWB2SIS9899

Thank you for forwarding the application for the above noted permit renewal to NIRB for screening. Upon examination, it appears that the proposed water permit has not changed since the original screening three years ago. For this reason the application is exempt from NIRB screening.

If you have any further questions please do not hesitate to contact our office at (867) 983-2593.

Sincerely,

Gladys Joudrey
Environmental Assessment Officer
