Mr. David Porter  
Licence Administrator  
Nunavut Water Board  
P.O. Box 119  
Gjoa Haven, NT X0E 1J0

Dear Mr. Porter:

**Re: Cogema Resources Inc. - Sissons Project - Kivalliq Region  
Diamond Drilling**

Water Resources Division and the Nunavut District office have reviewed the above mentioned application. As all aspects of water use and waste disposal are covered by Land Use Permits N97C733, issued by our department and KE96P070, issued by the Kivalliq Inuit Association, a Water Licence is not required at this time. A letter from the Board permitting the operation in adherence with the Land Use Permit or a Water Permit, similar to those issued recently by the Board, would be appropriate.

Please do not hesitate to contact me at (403)669-2658 if you need anything further.

Sincerely,

Shannon Pagotto  
Regional Coordinator  
Water Resources Division
