Hello Bruce:

I have run the search and there are only six sites in the database (1 for the Hood River area and 5 for the Contwoyto area). The attached documents provide the Borden designations, coordinate data for the sites.

Regards,
 Doug

Subject: known archaeological sites

Hello:

I am currently in the process of completing a land use application for mineral exploration in the Hood River and Contwoyto Lake area of Nunavut - within the area outline as follows:

7a. Co-ordinates: (HOOD RIVER AREA) (NAD 83)

Min Lat (degree/minute)	<u>66° 50' 45"</u>	Min Long (degree/minute)	<u>110° 47' 30"</u>
Max Lat (degree/minute)	<u>66° 58' 40"</u>	Max Long (degree/minute)	<u>111° 05' 45"</u>

NTS Map Sheet No: 076L/15

7b. Co-ordinates: (CONTWOYTO LAKE AREA) (NAD 83)

Min Lat (degree/minute)	<u>65° 46' 30"</u>	Min Long (degree/minute)	<u>110° 33' 15"</u>
Max Lat (degree/minute)	<u>65° 51' 00"</u>	Max Long (degree/minute)	<u>110° 52' 00"</u>

NTS Map Sheet No: 076E/15

Do you have any suggestions where I can find a map indicating where or if there are any known archaeological sites within the proposed project area?

Thanks,

Bruce Goad
