Re: Renewal Application for 2BE-SNN0508

Dear Ms Beaulieu,

As per our telephone conversation of yesterday afternoon the application documents submitted in association with the renewal of the above referenced license identified only Stornoway Diamond Corporation as the applicant, however Strongbow Exploration Inc. was also named as a licensee when it was last renewed in 2005.

Please accept this letter as an official request to issue the renewal for Nunavut Water Board License 2BE-SNN0508 in the names of both of the original licensees, Stornoway Diamond Corporation and Strongbow Exploration Inc.

The duly executed assignment forms required to facilitate the change to Stornoway Diamond Corporation being the sole licensee for the renewed license will follow under separate cover once it has been issued.

If you have any questions regarding this submission please contact the undersigned at your earliest convenience.

Yours truly,
STORNOWAY DIAMOND CORPORATION
