Re: New Application Acknowledgement for the Storm Project

Dear Mr. Davidson:

The Nunavut Water Board ("NWB") acknowledges receipt on April 14, 2010 of your new water license application for the Storm Project, file number 2BE-STO----.

We undertook a preliminary administrative review of your application and conclude that, in accordance with approved legislation under the *Agreement Between the Inuit of the Nunavut Settlement Area and Her Majesty the Queen in Right of Canada* ("NLCA"), it does not contain sufficient information for the NWB to commence processing the file at this time. Specifically, we are asking you to provide the following:

- NPC Conformity (or confirmation in writing from NPC Conformity is not required)
- NIRB Screening (or confirmation in writing from NIRB Screening is not required)

We will resume the processing of your application once we receive the requested information.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,

Original signed by:

Richard Dwyer
Licensing Administrator
