Re: Application Acknowledgement for the Storm Project

Dear Mr. Davidson:

The Nunavut Water Board ("NWB") acknowledges receipt on August 6, 2010 of your e-mail (copy attached) indicating there would be no field work for the Storm Project in 2010.

The NWB understands additional information will be provided for your project. The information will have to go out for an additional 30 days review.

Prior to distribution to all parties for a 30 day review, our in-house staff will perform an administrative and preliminary technical review to ensure all documentation has been provided. You will be notified of the requirement to submit further information as necessary.

Please call the undersigned at (867) 360-6338 or email at [licensingadmin@nunavutwaterboard.org](mailto:licensingadmin@nunavutwaterboard.org) if you have any questions.

Sincerely,
