Dear Mr. Davidson:

The Nunavut Water Board ("NWB") acknowledges receipt on April 14, 2010 of your new water license application, for the Storm Project; also acknowledge payment of the application fee (\$30.00) and water use fee (\$30.00). Your payment has been forwarded to INAC in Iqaluit for processing. A receipt will be issued through their office.

The following documents were received in support of the application:

1. Water Licence Application
2. Supplemental Questionnaire
3. Inuktitut & English Summary
4. Map
5. Spill Plan
6. MSDS Sheets
7. Water Use Fee & Application Fee

Prior to distribution to all parties for a 30 day review, our in-house staff will perform an administrative and preliminary technical review to ensure all documentation has been provided. You will be notified of the requirement to submit further information as necessary.

Please refer to the calculation for water use fees, in the Northwest Territories Waters Regulations, Section 9, to ensure that the correct fee has been submitted. A copy of this regulation is available from our ftp site or by contacting this office. This is an annual fee which is required to be submitted yearly on the anniversary of the issuance of your water license.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
