Dear Mr. Livingstone,

The Nunavut Water Board (“NWB” or “Board”) has reviewed the 2011 and 2012 Annual Reports for the above mentioned project that were submitted on August 22, 2012 and March 13, 2013, respectively. The 2012 Report included updated 2012 Spill Contingency and Abandonment and Restoration Plans. The submissions were distributed for information.

The NWB has acknowledged that no water was used and no waste disposed during the 2011, 2012 field seasons. Annual Reports are found to be complete and meeting the reporting requirements of licence 2BE-STO1015.

Should you have any questions, please feel free to contact the undersigned at (867) 360-6338 Ext. 30 or [k.kharatyan@nunavutwaterboard.org](mailto:k.kharatyan@nunavutwaterboard.org), at your earliest convenience.
