Ms. Rita Becker
Licensing Administrator
Nunavut Water Board
P.O. Box 119
Gjoa haven, NU
X0B 1J0

Dear Ms. Becker:

Please be advised that Commander Resources Ltd. has completed its spring/summer exploration program including airborne geophysics, grid establishment, magnetometer surveying, till sampling and diamond drilling on our Victoria Island project, Tahoe Lake area, Nunavut.

Demobilization from Tuktu Camp (70°46'06"N, 109°10'18"W) is currently underway. Only a small quantity of lumber, camp equipment and fuel will be stored over the winter for use in 2003.

A detailed list of the fuel cache will be forwarded upon consultation with the project geologist on site.

For your reference all work was conducted after obtaining Land Use Permit N2001J0021 and Water License NWB2TAH0103.

Yours very truly,

COMMANDER RESOURCES LTD.
