Dear Ms. Becker:

Re: Application for Water Licence, Major General Resources

The Water Resources Division has reviewed the water licence application for the above-mentioned document. Due to the scale and nature of the project, there is no licence requirement under the NWT Waters Act.

The water-related aspects of this project have been well addressed by the provisions made in this application and accompanying project description. Further issues, such as those pertaining to waste management, will be addressed by the land use permit issued to the proponent by DIAND. Should you have any questions or comments, please do not hesitate to contact me at the number above or by e-mail at johnsonmi@inac.gc.ca.

Sincerely,

Michelle Johnson
Kivalliq/Kitikmeot Regional Coordinator
