RE: Assignment of License

Dear Ms. Beaulieu:

On behalf of Indian and Northern Affairs Canada (INAC), I have reviewed the request for assignment submitted by Commander Resources Ltd.. INAC is supportive of this request; however, Diamonds North Resources should be reminded that their water licence will expire this year. They should also be encouraged to submit an application for renewal well in advance of the expiry date to avoid a lapse in the approval for the Tahoe Lake Project.

Should you have any questions or comments, please do not hesitate to contact me at (867) 975-4548 or by e-mail at mcchristie@inac.gc.ca.

Sincerely,

Michelle McChristie
