RE: NWB2TAH0103 – Assignment of Licence for the Lake Tahoe Project

On behalf of Environment Canada (EC), I have reviewed the information submitted with the above-mentioned application. The following specialist advice has been provided pursuant to Environment Canada's mandated responsibilities for the enforcement of the *Canadian Environmental Protection Act*, Section 36(3) of the *Fisheries Act*, the *Migratory Birds Convention Act*, and the *Species at Risk Act*.

Commander Resources Ltd. is proposing to assign water licence NWB2TAH0103 for the Lake Tahoe project in the Kitikmeot Region, NU to Diamonds North Resources Ltd.

Based on the information presented at this time, EC has no real concerns with the assignment of Licence NWB2TAH0103 from Commander Resources Ltd. to Diamonds North Resources Ltd.

If there are any other changes in the proposed project, EC should be notified, as further review may be necessary. Please do not hesitate to contact me with any questions or comments with regards to the foregoing at (867) 975-4639 or by email at colette.meloche@ec.gc.ca.

Yours truly,

Colette Meloche
Environmental Assessment Specialist
