Re: Assignment of License NWB2TAH0103, from Commander Resources to Diamonds North Resources

Dear Phyllis,

We have reviewed file # NWB2TAH0103. As well as NWB, KIA has a number of permits which will need to be transferred as a results of the transfer from Commander Resources Ltd. to Diamonds North Resources Ltd. We ask that NWB withhold your approval until Diamonds North Resources transfers all required documents with KIA.

Sincerely,

Geoffrey Clark, M.Sc., MBA
