**Re: Nunavut Water Board Licence 2BE-TAH0611
Tahoe Lake Project
(Diamonds North Resources Ltd.)**

Due Date: April 8, 2011

Dear Mr. Dwyer:

At your request, the Department of Culture, Language Elders and Youth (CLEY), Government of Nunavut, has reviewed the above-noted application. Our recommendations are limited to CLEY's mandate and follow.

We recommend the applicant retain the services of a professional consulting archaeologist with arctic experience to conduct an inventory of the yet unrecorded archaeological sites within the project area (there are 61 recorded archaeological sites).

The attached is a list of consultants with experience working in Nunavut who may be contacted to conduct an Inventory and CLEY's Guidelines for Developers. Other professional archaeological consultants may also be hired.

Sincerely,
