Re: Application Fees for NWB2TAK and NWB2NAP

Dear Ms. Gregory:

On December 6, 2001 the Nunavut Water Board acknowledged receipt of the application fee for an amendment to water license NWB2TAK0002 to add another camp to your existing permit. Receipt C116840 was issued at that time. Since that time you've withdrawn this application and reapplied for a new license for the Anuri camp as a standalone project. The application fee will be applied against this new application under NWB water license number NWB2NAP.

On September 12, 2002 the Nunavut Water Board acknowledged receipt of the application fee for the renewal to water license NWB2TAK0002. Receipt C116875 was issued at that time. Our office has received an additional fee, cheque number 5108, which is not required at this time and is hereby being returned to your office.

Please call the undersigned at (867) 360-6338 or email nwblic@polarnet.ca if you have any questions.

Sincerely,
