Re: Kennebecott Canada – Tak Camp, Rocking Horse Property, Nunavut

On August 2, 3003 the Nunavut Water Board received a renewal application from Kennecott Canada Exploration Inc. for water use and waste disposal associated with exploratory drilling.

Notice of this application will be posted at local organizations in Cambridge Bay, Kugluktuk, Bathurst, and Umingmaktok.

The application documents are available through the internet on our ftp site at <ftp://ftp.nwb.yk.com> in the folder “NWB2TAK0002”.

NWB2TAK0002 is currently being screened by NIRB, and will be processed by NWB when NIRB completes its determination. Parties involved in NIRB's screening can send their comments directly to NIRB as per their instructions. For all other parties, the Nunavut Water Board is accepting written concerns and comments with regards to this project before **November 9, 2002**.

Sincerely,
