Subject: Tahera Diamond Corporation – Takajuak Lake Project - Renewal – “B”

Dear Mr. McDonnell:

The Nunavut Water Board (“NWB”) acknowledges receipt of your renewal application for a Type “B” water license on September 17, 2007, for water use and waste disposal associated with exploratory drilling & camp operations for the above Project, in the Kitikmeot region of Nunavut. The application can be obtained from our ftp site at the following link: <http://nunavutwaterboard.org/ftp/> or by contacting our office. The application includes the following documents:

- cover letter dated August 30, 2006, received September 17, 2007
- water license application form, received September 17, 2007
- remote camp questionnaire, received September 17, 2007
- spill contingency plan, received September 17, 2007
- relevant MSDS, received September 17, 2007
- final abandonment & restoration plan, received September 17, 2007
- property map (with mineral claims marked), received September 17, 2007
- drill site map (with sumps and water sources marked), received September 17, 2007
- camp map (with sumps and water sources marked), received September 17, 2007
- Synopsis of camp and water use 2005-2007, received September 17, 2007
- Annual report 2005-including project summary and standard form, rec'd Sept. 17/07
- Annual report 2006-including project summary and standard form, rec'd Sept. 17/07
- Annual report 2007-including project summary and standard form, rec'd Sept. 17/07
- English and Inuinaqtun Summaries, received October 9, 2007

We undertook a preliminary review of your application and conclude that it meets the requirements of section 48(1) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (“Act”). This said, I must inform you that the NWB reserves the right to request additional information and studies pursuant to sections 48(2) of the Act or, alternatively, issue guidelines for the provision of information pursuant to section 48(3) of the Act.

A NWB Technical Advisor may be in touch with you to clarify any technical details related to your application.

This application is within an area where there is no land use plan approved in accordance with Part 5 of Article 11 of the NLCA, and is therefore not subject to the requirements of Section 38 (1) to 38 (5) of the Act.

Finally, by copy of this letter to the distribution list and the enclosed notice of application sent to the council of the municipality or municipalities most affected by your application, we invite interested persons to make representation directly to the NWB **within 30 days from the date of this letter.** Take note that included in the application is a Spill Response Plan as well as an Abandonment and Restoration Plan which require review and comment. The NWB may provide additional procedural instructions once the application has been reviewed by interested parties.

Sincerely,

Original signed by:

Phyllis Beaulieu
Manager of Licensing
