Subject: Review of 2003 Annual Report for Water Licence NWB2TAK0204

Dear Ms. Ball,

The NWB has completed its review of the 2003 Annual Report for exploration activities carried out under Water Licence NWB2TAK0204 (the “Licence”). As part of this review, interested parties were invited to submit comments and clarifications concerning the Annual Report, however none were received by the June 29, 2004 deadline.

The 2003 Annual Report appears to meet the requirements established in *Part B, Item 1* of the Licence, and as such the NWB has no further concerns with the report.

Yours truly,
