**Re: Application Pending NPC Conformity for Titan Uranium Incorporated's – Thelon Basin Project Proposal**

Dear Mr. McLaren:

The Nunavut Impact Review Board (NIRB or Board) received Titan Uranium Incorporated's Thelon Basin Project Proposal from Indian and Northern Affairs Canada (INAC) on March 2, 2009.

Your project appears to be located in an area which requires conformity to the Keewatin Regional Land Use Plan. Pursuant to Article 11 of the Nunavut Land Claims Agreement (NLCA), the project proposal must be sent to the Nunavut Planning Commission (NPC) for a conformity determination with this Plan. This can be done by contacting Brian Aglukark at NPC (phone: 867-857-2242 email: [aglukark@npc.nunavut.ca](mailto:aglukark@npc.nunavut.ca)).

Once a conformity determination is made, the NPC will forward its determination and recommendations to NIRB. At that time NIRB will carry out screening of the Project Proposal in accordance with Article 12 of the NLCA.

If you have any questions or concerns, feel free to contact me at (867) 983-4605 or [lpayette@nirb.ca](mailto:lpayette@nirb.ca).

Sincerely,
