Hello Andrew,

Thanks for sending copies of your inspection reports. I note that in your inspection report you make reference to Care and Maintenance plans to be submitted to the board as an addendum to the Annual Report - I would like to make you aware that Titan has included this information within the annual reports submitted to the boards - but not as a separate addendum. I trust that this format difference will be acceptable.

Titan looks forward to hearing from you to arrange a date for 2010 inspections.

Sincerely,

Rod Koch
