<u>Subject: Final Inspection - Cancellation of Licence and Closure of NWB File No. 2BE-THE0813</u>

**NWB File No: 2BE-THE0813** 

Dear Ms. Gilman:

On August 20, 2014 the Nunavut Water Board (NWB) received a final inspection report from Aboriginal Affairs and Northern Development Canada (AANDC) covering the above noted file. The report indicates there are no outstanding reclamation issues associated with the file.

In accordance with section 43.(i)(c) of the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* (NWNSRTA), the Board may cancel a licence in certain specific cases.

This letter notifies all parties that the aforementioned licence is now cancelled and that the corresponding NWB file is now considered closed. Any future relevant activities on this site will require a new water licence assessment.

Sincerely,
