Hi Richard,

Thanks for chatting with me this morning. Could you please close water licence **NWB2BR00203** and provide me with formal notice of that closure? NWB2BR0203 should be in the name of Diamondex Resources.

Could you also provide a status update on water licence **NWB2BE-TIM0608**? From my records this licence has undergone a positive inspection, and all requirements have been met. I've got correspondence from past employees that say we are simply waiting for the formal notice that the licence has been cancelled.

Thank you,

Kendra Johnston, PGeo, MBA
