I would suspect then that the renewal is only to the Class B licence and the NIRB would consider this exempt under Schedule 12-1.

Please let me know if you require more formal correspondence.

Best regards,

Leslie

Hi Leslie;

I received an extension request on 05EN104 this morning, though the water licence number is 2BE-BRO and not 2BE-TIM, Diamondex has licences for both files.

Hi Richard,

I trust you received my email this morning regarding this file?
