RE: 130121 2BE-TIM0813 Diamondex Resources Ltd. – Cancellation Type B – Kitikmeot and Kivalliq Region

Diamondex Resources Ltd. has submitted to the Nunavut Water Board an application for the cancellation of water license 2BE-TIM0813 for the IC/TIM Project. Environment Canada (EC) has reviewed the above-mentioned application and has no objections to the cancellation of the license if the proponent has met all abandonment and restoration obligations as laid out in Part I of the water license and the site meets Aboriginal Affairs and Northern Development Canada inspection approval.

If there are any changes to the project EC should be notified, as further review may be necessary. Please do not hesitate to contact the undersigned at (867) 975-4631 or Paula.C.Smith@ec.gc.ca.
